Schedule: 1. 3. 2018 – 31. 1. 2020

Subject-matter of the project is the presentation of KLAUS Timber a.s. company and its products in Germany at prominent FachPack international fair trade. The project is aimed to strengthen the position within this market (follow-up a historical participation in this fair trade), to conclude new contracts, increase the volume of exported production and the company turnover as well. Within the project are planned 2 participations in the FachPack fair trade (1st participation in 2018, and 2nd in 2019), whereas each the participation shall be under individual phase. This schedule follows the company strategy in the field of foreign trade development in Germany, and is also in compliance with KLAUS Timber a.s. production capacities in the Czech Republic.
